CLIENT CHATTER

- *“Jan Harrison provided our staff with a professional, educational, motivating, and productive product. These presentations have been very beneficial to our employees and have given them real skills they can apply directly to their jobs.”*
Mary B -- Montana State Fund
- *“Excellent class and excellent presentation. Some [attendees] identified ways to improve themselves and other looked at ways to help improve the leadership level of the team members in the class.”*
Chris K – Gensco
- *“Pretty spiffy!!! It appears people went back to their desks and immediately got busy making changes. Pretty amazing for a species that has a hard time with change.”*
Kathleen G -- Jamco-America
- *“The training was beneficial to them and hit the mark on what they needed. They really like your teaching style... It is apparent to me that you have extensive knowledge of the subject and human dynamics.”*
Jennifer C -- US Army Corps of Engineers

TRAINING TOPICS

- **Generations at Work:** How they think, communicate, and act the way they do
- **Dealing with difficult people**—you can't kill 'em, so let's figure out how to deal with them
- **When Baby Boomers become Elder Boomers**—how they'll change everything (again) and how you can be ready
- **When Your Workforce Has Become Robots**—how to get them thinking, acting, and *taking initiative* outside the box
- **Prioritize and Organize:** How to stay on track when the path seems lined with quicksand.
- **Writing That Works:** Polish your grammar and writing skills— whether email or text, good business writing gets things done.
- Jan is also a skilled designer of team retreats. No two are alike—she works with you to set specific goals then creates a lively, entertaining, sometimes uncomfortable experience that sends your people back to work energized and linked, with an action plan to take the retreat efforts directly into the workplace for maximum performance.
